## Year's 7 & 8 2024

Dear Parent/Guardian,

Neerim District Secondary College is looking forward to another great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to

- Provide quality materials to support all students.
- Purchase additional equipment for both classroom and outdoor education programs.
- Increase student wellbeing support.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours's Sincerely

Michael Shone  
Principal

Jackie White
