Statement of commitment to child safety

Neerim District Secondary College is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly. Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and well-being and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

Roles and responsibilities

School leadership team

Our school leadership team (comprising the principal, assistant principal and student wellbeing team) is responsible for ensuring that a strong child-safe culture is created and maintained, and that policies and practices are effectively developed and implemented in accordance with Ministerial Order 1359.

- champion and promote a child safe culture with the broader school community
- ensure that child safety is a regular agenda item at school council meetings (**Note** It is not necessary to discuss child safety at every school council meeting, but child safety should be discussed at some meetings to ensure that a culture of child safety is being embedded and school council members are informed and understand the issues.

Specific staff child safety responsibilities

Neerim District Secondary College has nominated a student wellbeing coordinator to support the principal to implement our child safety policies and practices, including staff and volunteer training.

The responsibilities of the student wellbeing coordinator are outlined at [Guidance for child safety champions](#). Our principal and student wellbeing coordinator are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

- The principal and assistant principal are responsible for monitoring the school's compliance with the Child Safety and Wellbeing Policy. Anyone in our school community should approach the principal/assistant principal if they have any concerns about the school's compliance with the Child Safety and Wellbeing Policy.
- The principal and assistant principal are responsible for informing the school community about this policy, and making it publicly available.
- Other specific roles and responsibilities are named in other child safety policies and procedures, including the Child Safety Code of Conduct, Child Safety Responding and Reporting Obligations Policy and Procedures, and Child Safety Risk Register.

Our school has also established a Child Safety and Wellbeing Team and a Student Reference Group on child safety. The Child Safety and Wellbeing Team meet regularly to identify and respond to any ongoing matters related to child safety and wellbeing. The Student Reference Group provides an opportunity for students to provide input into school strategies.

Our Risk Management Committee monitors the Child Safety Risk Register.

Child Safety Code of Conduct

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct at ndsc.vic.edu.au also includes processes to report inappropriate behaviour.

Managing risks to child safety and wellbeing

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use. Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

Establishing a culturally safe environment

At Neerim District Secondary College, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- Neerim District Secondary College Action Plan - Aboriginal Learning, Wellbeing and Safety outlines the measures we have in place to maintain an inclusive and culturally safe school for Aboriginal children and students. [Schools - culturally safe environments guidance | Victorian Government \(www.vic.gov.au\)](https://www.vic.gov.au/schools-cultural-safety-guidance)
- Designated school-based Koorie Education Officer (KEO) who supports development and implementation of intervention and support plans including IEPs, culturally appropriate SSGs and meetings involving Koorie students, supports inclusion of indigenous perspectives across all curriculum and who coordinates events that recognise and celebrate our indigenous heritage
- Timetabled fortnightly support meetings for all Koorie students to attend if they wish with KLESO and our school based KEO. Purpose and agendas discussed and planned by students at the start of each term.
- College-wide celebrations (acknowledgement of country celebrations, smoking ceremony, guest speakers) during Reconciliation and Naidoc weeks
- Successful CUST funding application to develop and build an indigenous student-designed garden and yarning circle in 2024
- School wide acknowledgement of country at beginning of each week and at beginning of all assemblies and ceremonies
- Redesign of school entrance to focus on indigenous acknowledgment to our local indigenous heritage. To be developed and implemented by Koorie students with KESO and KEO support through 2024.

Student empowerment

To support child safety and wellbeing at Neerim District Secondary College, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging implementing our whole school approach to Respectful Relationships, our student Code of Conduct, our school values.

We inform students of their rights through our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at the relevant wellbeing coordinator's office, the principal, assistant principal or the main office.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

The school promotes and facilitates student empowerment through student election of school captains and year level SRC representatives that meet as an SRC fortnightly throughout the year. School captains and SRC representatives promote opportunities for students to raise issues through their SRC advocates at assemblies and through a student bulletin. The Student Voice and Leadership Coordinator facilitates randomly selected student voice teams to provide feedback to the school leadership and staff on changes being considered. Student leaders and SRC run once per term year level assemblies and one per term college assemblies where access to support services, student engagement team and student wellbeing team is promoted. 0041peer support program between Year 11 and Year 7 students operates where regular activities are planned and facilitated by the Student Voice and Leadership Coordinator and School Wellbeing Coordinator. Voluntary lunchtime activities are offered on three lunchtime per week.

Family engagement

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Neerim District Secondary College we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- Seeking input from families and the community – via surveys, the school website, newsletters, Compass, school council, subcommittees of school council, student, staff, and parent meetings etc.
- all of our child safety policies and procedures are available for students and parents at ndsc.vic.edu.au
- Newsletters and Compass will inform families and the school community about any significant updates to our child safety policies or processes, and strategies or initiatives that we are taking to ensure student safety.
- PROTECT Child Safety posters will be displayed across the school.
